ABOUT ME

As a person in the creative field for more than 20+ years, I have worked extensively in almost all the creative mediums. An artist, designer & photographer, with a Visual Communication degree @ Loyola College Chennai. I have worked for various print media works, AD films, Documentaries, Live TV shows, Web designing, e-learning, Motion Graphics, 2D & 3D animations for giants like Disney, Universal Studios, DreamWorks etc. I have handpicked mentored, trained and lead huge teams of designers / creative's and have successfully delivered many outsourced projects and IP contents of the companies. As a person with varied creative knowledge and expertise, I have been the key player in anything to do with the creative / technical work the company has.
